**Office of Elections & Voter Registration**

**1308 Crickets Avenue, Lubbock, TX 79401**

The application can also be downloaded from [www.sos.state.tx.us](http://www.sos.state.tx.us).

You may register to vote at any time, but to vote in a particular election your application must be postmarked or received 30 days prior to the election. A voter registration certificate will be mailed to you in about 30 days. A new certificate will be mailed to you every 2 years.

Voter registration remains valid until you move or no longer meet the criteria to vote. To change your name or residence within Lubbock County, contact the Office of Elections and Voter Registration or complete the form at [www.sos.state.tx.us](http://www.sos.state.tx.us). If you move to a new county, you must reregister in that county.

When you go to vote, bring identification. A voter registration certificate is best, but without the certificate you can still vote with a driver's license or other identification. During early voting, you can vote at any polling location. On election day, you can only vote at the precinct listed above your name on your voter certificate.

Information on polling locations can be obtained from the Office of Elections or the League of Women Voters (744-0023).
